

The student representatives of Sociology and Political Science are looking to fill the position of a

STUDENT ASSISTANT (with a bachelor degree) for the statistical software STATA

for the following Autumn semester (September 2018 – January 2019).

Regular working hours will be 15 hours per month with a limited contract of 5 months. The working hours can be chosen relatively flexible.

Your duties

- Weekly consulting sessions for students who need help with the statistic software STATA
- Answering of E-Mails concerning the software

Your profile

- Good knowledge of basic empirical research
- Good knowledge of STATA
- Proficient in English and on-topic technical terms

Please send us your application including CV, cover letter and a proof of your expertise to **fssowi@mail.uni-mannheim.de**. We are looking forward to meeting you!
